TIBETAN PULSING - Healing through Love

Tibetan Pulsing uses the power of love - the Pulse - for healing and growth of consciousness. It is holistic and operates with touch (acupressure) and sound. While you're lying down and listening to music, certain resonance points will be vibrated by touch and sound (music). Experiencing Pulsing brings relaxation to the body and a smile to your heart.

Special 1st time Price \$40

Adima & Sudeva Hawkes - Tour Guides for the inner adventures in life

Home and practice in Mandurah. We combine wisdom and science from the East and West with over 30 years of experience in working with people. We're passionate about enabling our clients to help themselves.

(Accredited Meditation Teachers, Practitioners and Trainer of Tibetan Pulsing, Certified in Counselling, Spiritual Psychotherapy, Hypnotherapy and Trauma Therapy. Adima shared guidance as a spiritual teacher in Germany between 2003-14.)
