# ADIMA & SUDEVA HAWKES

Welcome  
to transformation.  
With Spirituality, Therapy  
and Healing we unite the  
most powerful approaches  
for human growth.

**Combining wisdom and science** from East and West with over 30 years of experience in working with people from all walks of life. Spirituality and Therapy invite the Healing which is intrinsically within you to come forth. We support you to flower in your uniqueness.

**The work is holistic.** This approach considers body, mind, emotion and psyche equally. You can come to us with an everyday, special or 'hopeless' diagnosis for physical or mental health issues.
