This course is for trained Tibetan Pulsers and those IN training now. In this case we ask for full training in the right eye and at least 12 frequencies of training in the left eye. If you feel you should be eligible but don't fulfil these prerequisites, send us an Email.

Everyone needs to register by Email BEFORE you book

THE TIMES are CET=Central European ,e.g. Germany

21. + 22. + 29. March (and a catch up a little later, free of charge)

each day has TWO SESSIONS

11:00 -13:00 and 15:00-17:00 CET - an hour EARLIER in the UK (our Emails to you will show everyone's time after you've registered)

SKILFUL and passionate Eye-Readers who would like to join us to share their wisdom, please connect with us well ahead of time- by end of Feb would be good.

Friends in Eastern Australia, sorry that you cannot make the second time each day (unless you're crazy night owls), we will give you recordings of the teaching, however NOT of the eye readings of people.

CONTENT of the TRAINING

The basics of the eye-reading maps (wrapped up or in the way most of you need it)

How to approach the eyes

Developing skills in tuning with the client, their needs and situation

READING EYES! we suggest to read "our own eyes" and also give feedback as a group to each other's eye reading.

Please send us your eye-photos (unless you have done that in 2021/22 already, we still have those)
